2. What went well:

- The team completed the project on schedule.
- The members are all positive in giving ideas and perfecting their work.

3. The difficulties:

- Some members did not attend on time
- The amount of work divided is not reasonable

4. The reasons cause difficulties:

- Waking up late, busy with work and study
- The group focuses on project development rather than preparing reports for the PA, leading to passivity in preparing reports

5. What can be done differently in the next sprint to improve the project:

6. The reasons cause difficulties:

- Respect time more, arrange personal schedules to prioritize meetings
- Balance between project development and reporting
