2. What went well:

- Team members completed tasks on the sprint.
- The members are all positive in giving ideas, feedback and perfecting their work.

3. The difficulties:

- Some members did not complete the first week's task.

4. The reasons cause difficulties:

- Time lacking (because of other course's projects).

5. What can be done differently in the next sprint to improve the project:

6. What lessons we could learn:

- Time controlling between course's project.
